The Microsoft Office Specialist (MOS) Program provides industry-leading assessments of skills and knowledge through our new project-based testing, giving students and professionals real-world exercises to appraise their understanding of Microsoft Office.

As a 'Certiport Authorized Testing Center' (CATC), the AA Success Centre offers the full slate of MOS certification examinations in both the Associate and Expert levels.

Successful MOS exam candidates receive:

- Credential listings on both Certiport & Microsoft Certified Professional (MCP) transcripts
- Acclaim (by Credly) earned digital badges for sharing on social media or direct download.
- MOS certificate of recognition mailed directly from Microsoft via post.
- Anytime access to printable digital certificate with Credential Identification Code validated at Certiport's Global Credential Verification (<http://www.verify.certiport.com>)

Learners earn application credentials for each exam passed (e.g. Excel 2019 Associate). Passing any three of the four available associate certification exams grants the Office Suite designation of '**Microsoft Office Specialist – Associate**'.

Learners who attain the Associate designation and pass any two of the three available expert certifications are awarded the highest designation within the MOS Program - '**Microsoft Office Specialist – Expert**' (*Microsoft Office Master in previous editions*).
