What participants say after attending our Training sessions...

"Areef was an excellent facilitator. Made everything simple, was willing to repeat steps and processes. Gave a lot of practical examples and encouraged us to speak about or bring to him our own practical examples and advised what can be done to improve same" VS

"Excellent all round...." DH

"Astonishing and Empowering..." WW

"Once again Areef has delivered a wonderful course that meets the demands of today's business world. Concise, relevant & powerful..." AB

"Great seminar. Excellent facilitator. Generally, a very informative course" AA

"Excellent seminar. Facilitator is extremely knowledgeable great teaching application etc" KH

"Both seminar + facilitator were excellent!" SR

"Great facilitator Great seminar I strongly recommend" RV

"This course is the best course I have attended." MT-G

"Exceeded my expectations re the level of time savings and smart short cut tools shown. Extremely value adding..." DL

"The sessions were well taught and delivered to expose us to the range of possibilities of Excel. A job well done! Thanks" DC

"Exceptional & Dynamic course everyone should do." KL

"Mr. Ali is very knowledgeable in this field.... This session will certainly assist me with my daily work. I highly recommend people to take the time and money and invest in this course. It is worth it." AAA

"The seminar was intensive but well planned. The facilitator was very knowledgeable and aimed to give realistic applications to the techniques taught." JH

"I was impressed within the first 10 minutes of the programme.... Overall, I thoroughly enjoyed this course, didn't know Excel was so powerful." NA

"Course was excellent, well planned and properly delivered, esp. for myself having some fairly good experience with excel and its functionalities..." VR

"I must say I was very impressed with Mr. Ali's presentation style. It was an apt mix of professionalism and a unique spin on Excel techniques. The case study was very interesting; pulling on a myriad of knowledge acquired throughout the sessions" J-MG

"Facilitator is very knowledgeable and explains content brilliantly so that I could understand" KP-G

"Seminar - an excellent opportunity to improve one's knowledge for personal and professional effectiveness and creativity. Facilitator makes the learning process very easy despite the complexity of the topic units" CP

"Excellent all round..." DH

Power BI Secrets & Techniques in Dashboard Reporting Automation

Overview

If you are constantly pressured to get more reports, in less time with greater detail and more reporting interactivity, then this course is an opportunity for you!

Welcome to the world of Microsoft Power BI – the easier & faster way for you to build flexible, interactive, and insightful reports to monitor performance and easily share them with others. Learn how to use Microsoft Power BI to help you and your organization succeed. Expand your skills & get yourself ahead. This is your opportunity to become a self-service BI analyst. Connect and join data from the web, excel files, databases, text files etc., and produce outstanding reports in minutes – without any programming skills.

Session Format / Facilitation approach

This is a practical and highly interactive seminar with a mix of tutoring using examples, hands on exercises for each technique learnt, combination exercises and Q&As.

Who will benefit?

Persons interested in creating effective reports for performance management, Accounting & Finance, HR, Marketing, IT, Business Analysts, Audit and Operations staff can all benefit.

Participant Prerequisites

You should have a basic knowledge of Excel, how to set formulas, tables, create basic graphs and charts, along with basic experience in preparing management reports.

Participants MUST have a Windows based laptop with the 64-bit version of Power BI Desktop (Free or Pro Edition) installed.

([download link to Power BI Free Edition](#)).
